BIOME+ LEVEL 4
FORMULATION:
20 million CFU per ml
Live *Bacillus*
coagulans microbes

Hydrates

HOW TO USE: The Live Probiotic Mist needs to be activated before first use. To activate, open the Live Probiotic Powder and pour it into the Live Probiotic Mist, then shake the bottle thoroughly.
Spritz approximately four times onto the face, neck, and décolleté after cleansing. Gently pat the area until dry, and follow with your preferred Esse serum and/or moisturiser.
The Live Probiotic Mist can be used once or twice daily.
